*Founded 1869*

JOHN HARRIS-SIMON CAMERON MANSION

219 South Front Street  
Harrisburg, Pennsylvania

## *Annual Report*

2014-2015

 The Historical Society of Dauphin County is one of the oldest historical societies in the country. It was incorporated by some of the county's most distinguished leaders in 1869 and moved to the John Harris-Simon Cameron Mansion in 1941. Since then a dedicated volunteer board of trustees, professional staff and able volunteers have worked to protect the assets of the society – the Harris-Cameron Mansion, a National Historic Landmark since 1972, with furnishings and artifacts spanning from the eighteenth through twentieth centuries, and the Alexander Family Research Library and Archives and its irreplaceable records, documents, publications and photographs.

Our 15-member volunteer board of trustees provides the vision and guidance for the Historical Society to achieve its mission to collect, preserve, exhibit, publish and promote interest in the history of Dauphin County for the education, enjoyment and benefit of the public. Executive director Nicole McMullen Smith, along with managing the daily operations of the society, continues to focus on fundraising, expanding membership, recruiting volunteers and developing partnerships with other historical and tourism organizations. She is assisted by an accomplished staff, consisting of curator Janet Mulligan Bowen, office manager Barbara Pollihan, librarian and historian Ken Frew, and docent and newsletter editor Howard Parker.

This is an exciting time for the Historical Society, as we begin work on a new 5-year Strategic Plan and preparations for a year of celebration in 2016, the 250th anniversary of the building of the Harris-Cameron Mansion in 1766 by John Harris, Jr. The New Year will be filled with events and historical exhibits, lectures, and programs that you will not want to miss.

Thank you to our corporate funders and sponsors, volunteers, and to *each and every member of the Historical Society* for your support and participation during the past fiscal year. You make it possible for us to grow and move forward in preserving our community's past.

# *The Year in Review*

## Restoration of the Mansion Exterior

We are very proud to report that we are in the process of completing the major exterior restoration project for the Harris-Cameron Mansion this year, in time for the 250th anniversary of the building of the mansion in 2016. The society began a capital campaign to raise funds for exterior renovations in 2011. Through 2015 we raised \$480,000 toward the renovations. We will continue to raise funds to improve and restore the grounds, as well as maintain the mansion and other buildings on the property. We are grateful beyond words to the individuals and organizations that have contributed funds toward this project.

## Programming and Exhibits

This past year we saw an increase in attendance in general and at our most popular educational programs, including 2014's Fourth of July reenactment and festival with Representative Patty Kim, our Halloween Ghost Tours, Christmas at the Mansion open house, 2015 Mother's Day weekend Tea with Agnes Kemp, and An Evening at Mount Hill Tavern with John Harris, Jr. We also added successful new programming, including a 2014 History Fair featuring historical societies from across Dauphin County, a collaborative program with Zion Lutheran Church on the Whig Convention of 1839, an April 2015 lecture by a nationally renowned scholar and case exhibit on the Lincoln Funeral Train in Harrisburg, a program and signing of a new book on the history of the Bethel AME Church in Harrisburg, and a summer 2015 photography exhibit and lecture series, including a program on the Pride of Susquehanna Riverboat, related to *Harrisburg and the Susquehanna River*, new book by HSDC trustee Erik Fasick.

In September 2014 we held a weekend celebration of the 200th anniversary of the Star Spangled Banner, funded by a tourism grant from Dauphin County. The weekend was well attended and included an exhibit with original research on Harrisburg's veterans of the War of 1812, an exhibit reception with period musicians, and a flag ceremony

and open house, during which a replica 1814 flag was raised by local girl scouts on our newly refurbished flag pole, accompanied by the singing of the Star-Spangled Banner by professional musicians. The Star Spangled Banner activities were sponsored by the Dauphin County Commissioners.

A Star-Spangled Celebration, September 2014

## Special Events

*Deck the Halls* continues to be our most significant annual fundraising event. The decorations of fresh greens were more beautiful than ever in December 2014 thanks to our dedicated volunteers. As part of the twentieth annual *Deck the Halls*, the John Harris Award was presented to Ruthann Hubbert Kemper, former director of the Capitol Preservation Committee, now HSDC Trustee, chair of the facilities committee, and supervisor of our mansion restoration project since 2013.

Ruthann Hubbert Kemper accepts the John Harris Jr. award at *Deck the Halls*.

The Harris-Cameron Mansion also continues to be a popular venue for private events, such as weddings, rehearsal dinners, baby showers and business meetings. Please contact the office for more information on mansion rental.

## Library and Collections

Our Alexander Family research library and archives welcomed visitors from across the country. We have also recruited a number of new archives volunteers to help with cataloging projects and exhibits. Curator Janet Bowen and librarian Ken Frew go out of their way to assist researchers and continue to add new donations of artifacts, documents and photographs to the extensive historical collections of the Society. Among the new acquisitions are a 1929 "The Torch" yearbook for Lower Paxton High School and other nineteenth and twentieth century yearbooks; a 1926 dedication poem for William Penn and John Harris High Schools; assorted hats from Harrisburg millenaries; a 1915 Carnegie

Institute of Technology class photo; a collection of photos and letters of WWII Army Nurse Beatrice Zentmyer; a pin cushion from a former maid of the Cameron Family; a Steelton Hygienic School log of students and teachers; a panoramic photo of the "Red McCarthy Band" c.1950s; a 1950s baseball uniform with "H" letter for Highspire; a photo album of the Millersburg Ferry; a 1930s women's swimsuit and accessories; records of the American Association of University Women; a film reel of the 1948 Thanksgiving William Penn vs. John Harris high schools' football game; and scrapbooks of Shimmel School found during building restoration.

## Social Media and Digital Communications

In the last fiscal year, our e-mail contact list and Facebook followers both grew to over 900. Photo albums on Facebook touted the society's facilities, activities, and events. HSDChappenings.blogspot.com, an online calendar, was created to promote the society's many programs and events. Plans are now in the works for a new and improved website that will help to inform membership and visitors of all that HSDC has to offer. Our newsletter, *Oracle*, continues in print and online,

and its distribution has changed from two to four times a year.

*(Note: This real estate at 311 S. River Street is still for sale as of this writing. Please contact RSR Realtors if you have interest in it for office, retail, or studio space.)*

## Gift of Real Estate Is Given by Jane and Michael Barton

Drs. Michael and Jane Barton presented the first floor of a condominium building and parking lot close to the society's headquarters on December 31, 2014. The society was the already the owner of the second floor and four parking spaces in the 24-space lot. Dr. Jane Barton had used to the first floor as offices for her business, Premier Eye Care, and had retired from her profession. The board of trustees accepted this very generous gift

with the understanding that it would be our intention to combine both floors and the lot into one parcel and offer it for sale, having discovered that it was too expensive to operate the building as a storage area. We offer our great thanks to the Bartons for this gift to the society.

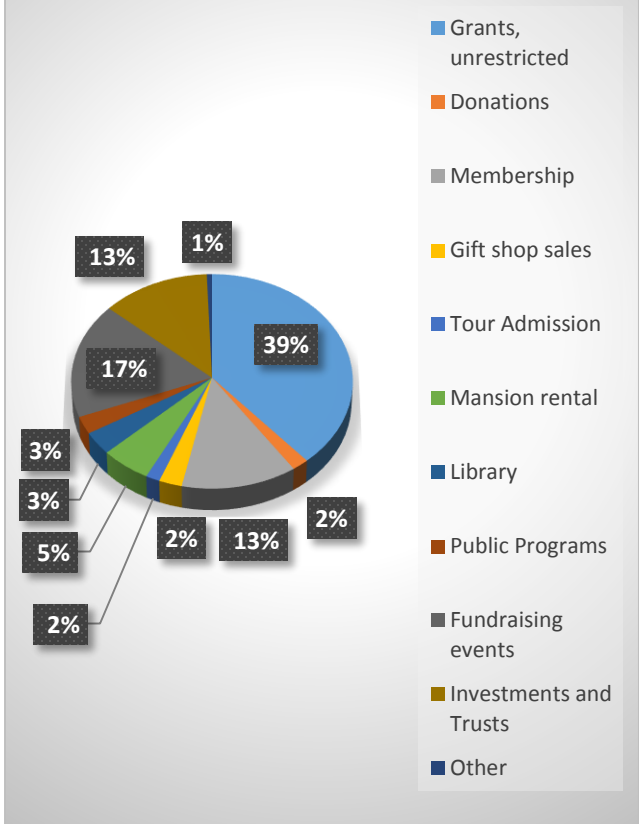

## Membership Drive and Financial Support

We continue to depend on our members to help fund the operations, programs and services of the Historical Society. We held a Membership Drive in spring 2015 and offered new and exciting benefits of membership. Admission to the mansion for tours, new exhibits, and Second Sunday programs is always free to members. Members also receive discounts on publications and tickets to special events, and have free entry to our research library whenever it is open. We are happy to report that our overall membership grew to just under 400 members last fiscal year.

In closing, we thank all of our members and friends for the continued support of the Historical Society. Thank you also to all who attend our programs and events in the Harris-Cameron Mansion and do research in the library and archives. And a special thank you to our volunteers for the countless hours you have given for

the good of the Society. We know we could not accomplish our goals without you and appreciate all that you do.
